

# AAC app cheat sheet

## LAMP Words for Life

**Spanish/English Toggle** will appear here when Spanish/English vocabulary selected

**Message Window:** press to say message

**Light Green Row:** Verb conjugations will always follow action man on second page

**Arrow X:** Delete Message

**Menu:** Access to editing, settings, Vocabulary Builder, help menu, and Word Finder

**Action Man:** All action words will be located here on second hit

**Yellow:** Most common pronouns; more pronouns on second page

**Access keyboard and numbers** using the Spell/Numbers button; Also access Find Word button

**MInspeak:** A way of expressing language through icons. User has access to a robust language with just two hits. For example, choosing apple leads to vocabulary for nouns and verbs related to food and eating; choosing live leads to vocabulary for rooms of a house and verbs related to what we do with a house – live, die, build, visit, etc.
