

## The ProSlate 6D MAX with SoundPOD®

# Go anywhere. Be heard Everywhere.

The **ProSlate 6D MAX** is designed to keep up with you—whether at school, work, or on the move. With an **ultra-rugged exterior**, enhanced portability, and the industry-exclusive **SoundPOD® speaker**, it's the ideal choice for **unmatched durability** and superior speech clarity. Plus, with **custom color options**, users can personalize their device for a look that reflects their personality and style.

### 5 Year Limited Warranty!

#### Rugged Protection

Built to withstand everyday drops, bumps, and spills, the ProSlate 6D Max ensures durability without sacrificing sleekness or portability.

#### Versatile Carrying Options

A hand strap, wrist strap, and adjustable crossbody strap provide multiple carrying configurations to match different mobility needs.

#### Exclusive Wearable SoundPOD® Speaker

Unlike any other AAC device, the detachable SoundPOD allows for clear, natural communication wherever you go—wear it on a lanyard, attach it to the device, or place it nearby for optimal sound projection. \*Patented

#### Dedicated Speech Generating Device

The ProSlate 6D MAX is a Dedicated Speech Generating Device (SGD) designed exclusively for communication to be used by individuals with significant speech impairments. This model is configured to run only approved AAC software and restricts access to non-covered features such as web browsing, video conferencing, games, or entertainment apps.

#### Express yourself in color!

Pick from multiple color options Titan Silver, Armor Green, Metallic Red or Rose Gold.
